The NSW Government is investing $729 million into a new world-class Sydney Football Stadium to ensure Sydney has a sporting and entertainment precinct of an international standard and that NSW remains the number one choice for sporting and entertainment events.
Project update
On Thursday 6 December 2018, the redevelopment of the Sydney Football Stadium received Stage One planning approval from the NSW Department of Planning and Environment. This approved the demolition of the existing stadium, and approved the concept design for a new stadium with up to 45,000 seats.

Following this, the NSW Government signed a contract with Lendlease for the demolition of the existing stadium and construction of the new Sydney Football Stadium.

Keeping the community informed
We’re committed to keeping the community informed as the project progresses. More information on changes to the precinct and demolition work will be provided in January 2019.

Next steps
The project team are now getting all the necessary plans and approvals in place, as required in the Conditions of Consent, so demolition work can begin in January 2019.

From 2 January, the project team will begin site establishment work.

The MP1 East carpark will be closed from Tuesday 8 January, and the MP1 West carpark will be closed from Tuesday 19 February.

The SCG Trust has arranged member parking in the Entertainment Quarter close to the new gym and cafe facilities.

- Site boundary fence to be installed from 2 January 2019
Community Consultative Committee

Nominations are open for appointment of community members to the Sydney football Stadium Community Consultative Committee

Want to contribute to your community?

Many State significant projects in NSW have Community Consultative Committees.

These committees provide a forum for the open dialogue between the proponent and representatives of the local community, stakeholder groups and local councils on issues directly relating to the project.

We are looking for a mix of people who live locally or are members of a stakeholder group (community, environment, Aboriginal or industry) to join our new Sydney Football Stadium Community Consultative Committee.

Further information about the Committee, including Guidelines are available at planning.nsw.gov.au/CommunityConsultativeCommittees.

Your role as a committee member is voluntary.

Selection criteria: You will be expected to contribute constructively to committee discussions, attend up to eight meetings a year, and communicate between the Sydney Football Stadium redevelopment and the community.

If you would like to apply, download a copy of the relevant nomination form at insw.com/sfs

Applications must be lodged by Wednesday 16 January 2019 and sent directly to the independent chairperson of the Community Consultative Committee:

Ms Margaret Harvie
Independent Chairperson
Sydney Football Stadium Community Consultative Committee
sfccc@plancom.com.au
or PO Box 411, Potts Point, 2011

Should you have any questions during the application process, please contact Margaret Harvie directly on the email above.

If you have any further queries regarding the Community Consultative Committee or the application process, you can call the community information line on 1800 931 109 during standard business hours.
