

# Sydney Football Stadium Redevelopment

## Construction hours extension

6 April 2020

Dear neighbour,

We are writing to notify you of some recent changes to construction work hours announced by the Planning and Public Spaces Minister on 2 April 2020.

The Environmental Planning and Assessment (COVID-19 Development – Construction Work Days) Order 2020 is now in place and allows construction sites in NSW to operate on weekends and public holidays. You can view a copy of the Order by searching for Government Gazette No 68 on [gazette.legislation.nsw.gov.au](http://gazette.legislation.nsw.gov.au).

This new order will make it easier for workers to abide by social distancing rules while keeping construction projects progressing, by allowing building work to be spread across more days of the week.

The Sydney Football Stadium Redevelopment will initially extend working hours on Saturdays from 8am to 1pm, to 7am to 6pm – with most of the work expected to be completed by 3pm.

We will continue to explore the possibility of applying weekday hours of 7am to 6pm to weekends and public holidays as construction progresses and will keep you informed of any further changes.

We understand the potential impacts this may cause to our neighbours so we will take all feasible and reasonable measures to minimise noise, traffic and vibration impacts during these extended work hours.

In line with the Order, no high impact activities such as rock breaking, rock hammering, sheet piling, pile driving or similar activities will be carried out during these extended work hours.

The health and safety of the community and all people working on the project is paramount. The project is practicing social distancing, and has implemented additional health and personal hygiene measures consistent with health advice, to ensure work can continue safely on site.

If you have any questions, please do not hesitate to contact us via the project phone line and email below.

Thank you for your patience and ongoing cooperation during this essential work.

Yours sincerely,

The Sydney Football Stadium Redevelopment Project Team
