We are writing to notify you that John Holland will be undertaking oversize, overmass traffic movements at the Sydney Football Stadium redevelopment the week commencing 17 May at the following dates and times (weather permitting).

Oversize, overmass traffic movements will occur on the following dates and times:

At **Gate 2** on Driver Avenue:

- **Wednesday 19 May:** 4am to 5am
- **Thursday 20 May:** 4am to 5am
- **Friday 21 May:** 4am to 5am

At **Gate 1A** on Moore Park Road:

The Oversize, overmass traffic movements have to be scheduled during times where traffic levels are low on the surrounding roads, and will be under traffic control where required. Both the out of hours works and oversize, overmass traffic movements have been approved by the Department of Planning, Industry and Environment and all required road occupancy licences, permits and approvals have been granted.

The Site Managers will be contactable on 0417 575 958 for **Gate 2** or 0439 309 696 for **Gate 1A**.

We understand the potential impacts this may cause to our neighbours. We will take all feasible and reasonable measures to minimise noise and other impacts during these works. Noise monitoring will also be conducted.

If you have any questions, please do not hesitate to contact us via the project phone line and email.

Thank you for your patience and ongoing cooperation during this essential work.

Yours sincerely,
