

# New Sydney Fish Market

## Community notification

## Changes to respite hours

3 November 2021

Dear neighbour

**The NSW Government is delivering an authentic new Sydney Fish Market which will sit at the heart of a revitalised Blackwattle Bay and return inaccessible parts of the Harbour foreshore to the community. The project will modernise and improve the much-loved Sydney Fish Market, while retaining its authentic experience and strengthening its position as one of Australia's leading tourist destinations.**

Work continues on site to remove existing piles and prepare for the temporary and permanent building works. We acknowledge some of these works are very noisy and are mindful of noise impacts on the surrounding community.

### Changes to respite hours

We recognise the significant disruption to learning for current Year 12 students due to the impacts of the Covid-19 pandemic. To support students at the neighbouring Sydney Secondary College completing their Higher School Certificate (HSC) examinations, there will be a temporary amendment to respite hours during the HSC examination period from **Tuesday 9 November 2021** until **Friday 3 December 2021**.

Respite is the period within the working day where noisy activities such as rock breaking, rock hammering, sheet piling, pile driving, and similar activities will not be carried out in order to provide a break from the noise impacts. During the period of the HSC exams the respite periods are being aligned where possible with the examination timetable.
